Equipment: You must bring your own archery equipment (Bows, Arrows, Binoculars, etc). Range finders may be used on the practice range but not allowed unless otherwise told on the range.

Other Rules: We will be closely following the IBO handbook on all other archery rules for the league when it comes to the shoots.

Targets: We will have between 20 to 30 targets set and will be shooting 15 targets each night. Targets will be a mix of 3D targets and animal prints. Targets will be set at various distances. Men's (Blue Flag) between 20 to 50 yards, Women (White Flag) will be set between 15 to 40 yards, and Youth and Long Bow (Red Flag) between 10 to 25 yards. Flags may be moved for each shoot. Participant's foot must be touching the flag during each shot. At the end of each shoot we will hold a skill shot that anyone can choose to participate in. Shot will be unknown until it is time for the skill shot.

Cost: The cost for the league will be \$20 for all 5 shoots or you can pay \$5 a shoot. This will give you the option to bring people if they would like to shoot. Skill shots will cost a dollar a shot and you can shoot the skill challenge as many times you would like. The pay back for the skill shots will have a 50% payback. If no one wins the skill shoot competition on a given night the pot will roll over to the next shoot. If no one wins the skill shot competition on the last night then the money will roll over and be put towards the banquet at the end of the league.

All the money raised from the league will be put back into the league banquet at the end of the league shoots.
