The block will be around 1 inch x 1 inch x 3 inches long, you can make these yourself or use Jenga blocks found at any store. Place the lotto numbers towards the roof of the mouth and push it behind the K9s. Close the mouth and use zip ties to shut the mouth as tight as you can. We will post a video on the 2020 Deerassic Coyote Tournament event page on Facebook. If the coyote does not have a jaw, you still need to zip tie a kill block to whatever is left. All coyotes killed must have a short video of a team member shaking it with all team members in it. If a team member that is signed up and cannot hunt, you must notify Mark Meeker by text at 740-680-4545. This is to eliminate any cheating. Also, please zip tie your team's name on a piece of paper to the leg of each coyote.
